My name is Oliver Thek, I am a Front End Web Developer with 2+ years of experience in building robust and scalable web applications using Next.js, React.js, TypeScript and Tailwind CSS, committed to write clean, high quality code with automated testing. I have a special sense for refactoring code.

SKILLS

- Creativity, good problem-solving
- HTML5, CSS3, JavaScript
- Typescript, React.js, Next.js, Tailwind CSS, Prisma
- Git

EXPERIENCE

2006 – PRESENT

FREELANCER

WEB DEVELOPER, VIDEO EDITOR, TRANSLATOR

2023- Dealing with projects like printer-bookings.vercel.app, implemented Prisma, refactored and optimized database queries to improve data mutation accuracy, resulting in enhanced code quality and a 30% reduction in debugging time, boosting developer productivity.

2011- Participated in the creating of former crowdfunding platform creativeselector.hu, as member of the frontend development team I was responsible for the presentation and styling of web pages.

2006- Translator of sport programs for hungarian SPORT1 TV channel, developer of www.teremfoci.hu for the Hungarian Futsal Association.

2001 – 2004

HUNGARIAN STATE TREASURY

SYSTEM ADMINISTRATOR

Responsible for maintaining over 80 computers, installing and maintaining payroll software.
